

WITH **TWO NEW LOCATIONS** COMING SOON IN KALAMAZOO, YOU PROBABLY HAVE SOME QUESTIONS...

Where are the two new Honor Credit Union locations and when will they be open?

Connect Center
Now Open!

Downtown Location
148 E Michigan Ave
Kalamazoo, MI 49007

Stadium Drive Location
Opening Late Summer 2020

Member Center
4400 Stadium Drive
Kalamazoo, MI 49008

What can members expect at the Stadium Drive location?

The new location will provide an optimized member experience by combining the resources of two existing locations, Oshtemo and Drake Road, into one larger and more accessible member center. The Stadium Drive member center will offer a full-service experience, including a drive-thru, night deposit drop, coin machine, and ATM. Resources such as meeting rooms and conference spaces will also be added to allow for educational offerings and community events.

What does this mean for the Oshtemo Member Center?

The Oshtemo member center will remain open until the completion of the new Stadium Drive location, which is expected to be complete late summer 2020.

What can members expect at the Connect Center in Downtown Kalamazoo?

Designed for ultimate hospitality and flexibility, members can expect a financial concierge service and personal banking experience that complements a member's digital account access options. The Connect Center features a variety of collaborative spaces that can be utilized by our members for their business needs. Whether our members need to meet up with an Honor Team member or one of their own clients, the Connect Center provides the space, technology, and flexibility to serve as a landing point for those connections. In addition, the Connect Center features refreshments from local businesses for members to enjoy while conducting personal and business banking functions.

How is the Connect Center different from a traditional member center?

The focus of the Connect Center is on building relationships one conversation at a time, in a collaborative environment that encourages members to use digital tools to accomplish their financial transactions. Although the Connect Center does not include a traditional teller line, Honor Team Members are present to assist members with all their banking needs in a one-on-one format and a full-service ATM is available both inside and outside.

What will the two new locations look like?

Below you'll see an actual street-view picture of our Connect Center location and both an exterior and interior rendering of our coming soon Stadium Drive Member Center. Please note that the attached rendering is for design and conceptual inspiration and the actual building may differ slightly.
